**Your confirmation number is: F 136789364 WI 06/12/2008 14:12:39**

**New York State Residents:**

Use this link if you want to apply for New York State-based financial aid such as the Tuition Assistance Program (TAP). The release of this information (which includes your e-mail address, if you provided one) is voluntary.

**Your estimated Expected Family Contribution (EFC) is: 8484**

Your estimated EFC is based on the information you provided on this FAFSA. It may change depending on your school's verification of information you provided. The EFC is not the amount of money that you or your family must provide. Rather, you should think of the EFC as an index that schools use to determine your eligibility for federal student aid.

For more information about the EFC, go to [www.studentaid.ed.gov](http://www.studentaid.ed.gov), select "Funding" then "Student Aid Eligibility" and scroll down to "How will I know what I'm eligible for?"

Based on your estimated EFC and current Federal Pell Grant requirements, your EFC indicates that you are not eligible to receive the Federal Pell Grant.

However, your financial aid award may include other federal student aid like low-interest student loans and work-study opportunities, depending on which federal student aid programs your school participates in. You might also be eligible for funds from your state or school. All of this is in addition to any private scholarships you may receive. For additional information about scholarships or other sources of aid visit [www.studentaid.ed.gov](http://www.studentaid.ed.gov).
